

“A Working Title” workshop 2018-2019

The Japan Foundation Asia Center

Training and Development Program for Film Curators and Screening Professionals

Schedule

Early June 2018

Call for Applications will be released.

Late June 2018

Selection

- Six participants (two from Japan, and four from ASEAN countries) will be selected.
- Participants will be grouped into two based on the themes and interests shown in their project proposal.

August 5-13, 2018

First Phase: Group Workshop and Screening / Symposium in Tokyo

- A nine-day (including arrival/departure days) workshop will be held in Tokyo.
- Participants will attend lectures, screenings at Image Forum Festival, workshops and study trips to related institutions.
- Each group of participants will collaboratively develop film screening programs among assigned list of works shown at Image Forum Festival.
- The curated program screenings accompanied by a symposium will be held at Image Forum Festival during participants' stay in Tokyo.

November 2018 – February 2019

Preparation for Screening in Manila

- Each group will prepare for the screening and study tour in Southeast Asia via online communication tools.
- The Advisor will continue to mentor the participants.

March 2019

Second Phase: Screening / Study Tour in Manila

- Programs prepared by the two groups will be screened at a venue in Manila.
- Along with the screening, participants will join a study tour to film festival, theatres and alternative spaces in Manila.

*The schedule is subject to change.
