# 100 FACES of HANDs! Fellows

漫画家、農家、ミュージシャン、大学生..... アジア9か国からさまざまなバックグラウンドを持つ若者が集まり、「HANDs! プロジェクト」にフェローとして参加しました。その数は計100人。国境を越えて友情をはぐみ、防災や減災に取り組みました。彼らが蒔いた防災の種が芽を出し、やがて大樹となって、アジアを守ってくれることを願っています。

A manga artist, a farmer, a musician, a university student ... young people of different backgrounds from nine Asian countries gathered to participate as Fellows of the HANDs! Project. The participant count was 100. They built friendship and worked together with people of different countries to address disaster prevention and ways to reduce the risk of natural disasters. We hope that the "seeds" of disaster management that they have sown will sprout and grow into huge trees that will protect the people of Asia.
